

## Invitation to Bid

---

*February 3, 2016 Division 13 PO Letting  
North Carolina Department of Transportation*

---

We are bidding projects in the **NCDOT 2/3/2016 Division 13 Purchase Order Letting**, and we welcome quotes from subcontractors for all items (*including hauling, milling, resurfacing, shoulder reconstruction, and more\**). Plans and specifications are available by selecting the appropriate letting and project on NCDOT's list of currently advertised projects (link below).

We could use your help! If DBE subcontractors plan to quote, we request that they let us know as soon as possible, then send their quotations by noon the day before the letting.

***Please note:*** *Quotations should include the cost of required payment & performance bonds and certificate of insurance.\**
